The One Hundred and Sixty-third Annual Report.

For the Year ended 31st December, 1943.

The Work of the Year.

The expansion of the Infirmary services, which has been a feature of our Annual Reports for several years, has continued throughout 1943. The average number of patients in hospital each day was 194.5, as compared with 187.2 in the previous year. The total number of patients admitted to the Wards was 4,555, and in addition 421 babies were born in the Hospital. Out-patient attendances totalled 74,496 as compared with 70,628 in 1942.

The work of the Fracture Department still continues to increase.

In the Gynæcological Department the number of patients is still larger than available accommodation.

The special arrangement we have with the Westmorland County Council in regard to Trerose Maternity Home, at Arnside, has helped us to a certain extent with our Maternity patients, but until the larger scheme of extension is put into operation we shall continue to be handicapped by lack of accommodation.

The development of our Pathological Service has continued, and we have now the service of a full-time Pathologist, Dr. V. H. Bowers, in charge of the Laboratory, which is acting as an Area Laboratory in a co-ordinated Pathological Service, and is proving to be of great assistance in its special way. The Blood Transfusion Department continues to be extremely busy, and the Blood Bank, besides catering for local needs, has sent large quantities of Plasma for use by our Forces overseas.

Details of the work of the various departments will be found in the statistical tables on pages 10 and 11.

The majority of the unoccupied beds were kept vacant under the Emergency Hospital Service, as a reserve for possible war casualties. During the greater part of the year the Wards worked to their maximum capacity, and, particularly so, the women's wards. The waiting list unfortunately has reached the new high level of 640, which is an increase of over 50 per cent. of the number waiting for admission at the beginning of the year. This shows that increased numbers are being sent to the Hospital for treatment, and about half of the total admissions are emergency cases.

Unfortunately our accommodation, particularly for women patients, is very inadequate. It is hoped, however, that our Longlands Recovery Annexe, which was opened in December, and which has accommodation for 25 patients, will, to some extent, help to reduce during the coming year the large waiting list. Unfortunately, this will not wholly solve the problem, and a long waiting period for the less severe cases seems inevitable, until post-war conditions allow of adequate extensions being made.

Finance.

The total income for the year was £45,313 as compared with £40,666 in 1942, and expenditure was £48,873 as compared with £42,734 in 1942, making a deficit on the year's working of £3,560. Although there is a Bank overdraft of £12,500 on Maintenance Account, this cannot be avoided, and is largely due to the large stocks which must be carried, and debts owing to the Hospital at the end of the year, the majority of which have since been paid. Our income as a whole has increased. Receipts from patients, public authorities and other Contributory Schemes are higher. The contribution from the Workpeople's Committee, as foreshadowed in our last report, has considerably increased, and it is hoped will further increase during the year 1944, as a result of the increasing membership.

Our expenditure in nearly all items shows an increase, owing to the larger number of patients treated at the Infirmary, and also to the general higher trend of prices that have to be paid on nearly all the supplies needed to carry on the Infirmary. Wages and salaries also show an increase. Additionally to the ordinary expenditure, £3,493 has been spent for capital purposes, in the transforming and the equipment of the Longlands Recovery Annexe, and also in the purchase of new up-to-date equipment for the Infirmary. (There are also items in connection with this amount, incurred for the completion of Springfield Hall as a Nurses Home, which is now practically fully furnished in every way). Part of this capital expenditure, however, has been met by the following legacies for the General Purposes Account :—Miss Alice Procter, £162 ; Mrs. E. J. Fisher, £513 ; Mr. A. Holland, £100 ; Mr. Whitaker, £10. The following legacy has been received for the Endowment Account : Mrs. Z. M. Nixon, £1,000.

The natural result of the increased expenditure is that the daily cost of patients and the cost per Out-patient attendance is higher. Details of the accounts will be found on pages 12—15.

Staff.

Great credit is due to our Honorary Medical Staff for the great amount of work they have done during the year, and to the Nursing

and all other Staffs also, our thanks are tendered for their loyal, unfailing help and hard work.

The Nursing Staff have now been granted the increase in salaries and improved conditions of service, as recommended by the Rushcliffe Committee. These recommendations came into effect on 1st April, 1943, and a further increase in salary is due on 1st April, 1944. The cost of these increases in salary for 1943 has amounted to approximately £2,500, against which the Ministry of Health has promised to make a grant as to half the amount of increase in salaries to our Nursing Staff. Since the war began, the Nursing Staff has increased from an average of 69 to 95, and will be further increased during 1944, partly as a consequence of the improved conditions of service (*i.e.*, holidays, &c.), and partly due to the requirements of the Infirmary being incorporated with the Emergency Hospital Scheme of the Ministry of Health.

Our Domestic and Porter Staff has functioned well, and the Catering Staff have done excellent work under war-time rationing conditions.

Acknowledgments.

We once more have pleasure in tendering our most grateful thanks to all who have helped the Infirmary in a voluntary capacity ; to the subscribers, the donors of gifts in kind, the Honorary Officers, the Emergency Volunteer Service, Blood Donors, Ladies Linen League, Ladies Collecting Committee, auxiliary helpers for making bandages, the Clergy and Ministers for the Hospital Sunday collections, Mr. Barton Townley for his most valuable and useful gift of an Ambulance, Messrs. Trimpell Ltd., for their gift of cutlery for Longlands ; and all those who have given help with domestic and clerical work, the Elementary School Teachers, the Library Staff, the Police, and the Press. Also we would like to pay tribute and thanks to Ald. W. Procter, who has completed his 25 years as Hon. Treasurer, for his untiring and valuable efforts on behalf of the Infirmary during this period. The Special Appeal Fund has realised during the year the sum of £2,967 14s. 11d. Our thanks are tendered to all those who have sent donations to this fund.

Emergency Service.

The Emergency Casualty and A.R.P. Services continue in their high standard of efficiency, and practices involving the whole organisation have been held, and the public may safely rely upon the Infirmary dealing efficiently with any emergency.

Committee.

It is with profound regret that we report the death of Mr. T. Smith, who has been a very valuable member of the Committee, .

and for many years has been associated with our Workpeople's Contributory Scheme Committee.

The Future.

Recently the Government have issued the White Paper on a National Health Service, in which the Government proposes that a comprehensive health service, including Hospital Service, shall not only be available to all, but shall be free, except in so far as it must be paid for by the Taxpayer, the Ratepayer, and the Purchaser of the Beveridge stamp. This will mislead many, unless equal prominence is given to what the Paper says about the future position of the Voluntary Hospitals and their finances. The paper makes it clear that in order to remain Voluntary Institutions, and thereby preserve their traditional independence and enterprise, the Voluntary Hospitals must continue to receive a substantial proportion of their income from voluntary sources. Thus, the White Paper states that the payments which the Voluntary Hospitals may expect to receive, either from the Beveridge monies for their co-operation in the National Service, or from Local Authorities, for services rendered under contract within the Scheme, will admittedly be less than the actual cost to which the Hospitals will be put in rendering these services.

A most serious omission in the White Paper is the complete lack of reference to the Hospital Contributory Scheme movement. Whilst we heartily subscribe to the policy of making Hospital facilities available to every resident in this country, regardless of his or her income, further meetings between the Voluntary Hospitals and the Government are taking place, in order to try to find an acceptable basis for the Hospitals to play their part in the Scheme.

On behalf of the General Committee,

L. KILGOUR,

PRESIDENT.

22nd March, 1944.

REPORT OF THE MEDICAL COMMITTEE.

The continuing need for economy in space once again necessitates drastic curtailment in the reports of the various departments. It is hoped, however, that detailed accounts of the greatly increased work done may be possible next year.

During the past year, work in all Departments has continued to capacity, and the same difficulties resulting from lack of space are a constant source of anxiety. The opening of Longlands as a Recovery Home for post-operative cases has had the effect of increasing the turnover very considerably, and this has thrown an added strain upon the Nursing Staff, and in particular on the operating theatres, where the number of cases dealt with has mounted greatly. To meet this demand, further increase in the Theatre Staff is now an urgent necessity, and it is to be hoped that every effort will be made to meet this need at the earliest possible moment.

The appointment of Dr. Bowers as whole-time Pathologist has been a notable event, which has been welcomed by the Honorary Staff, and the re-organisation of the Laboratory and the provision of an extra room, and experience of the technical staff of this Department, has gone far to make this Department a most efficient unit. The members of the Honorary Staff have greatly appreciated these added facilities, and the happy relations between them and Dr. Bowers is a direct result of his outstanding ability and tact.

The E.M.S. Blood Transfusion Service has continued to function at increased intensity, and more donors have given their services. This has been specially noticeable lately, and it is to be hoped that the demand of the second front will be met by still further efforts to increase the numbers on our donor panel.

The General Wards, the Ear, Nose and Throat, the Maternity, Gynæcological, Eye, X-Ray, Massage, and all other Departments have been working to their full capacity, and every effort has been made to reduce our long waiting list. There has been a small increase in the capacity of the Maternity Ward Annexe, which now provides seven beds. Although this is a help, it does not go far enough to relieve the stress on this Department, which has been much overworked during the whole year.

A.R.P. work has continued regularly throughout the year, and practices have been held. This has imposed a considerable strain on the night staff, and some members of the day staff, who have often been required to stay on duty after normal hours.

The Nurses' Representative Council has continued to function satisfactorily, and many minor difficulties have been dealt with, to the satisfaction of the Nursing Staff.

To all personnel of the Hospital, the Matron and Nursing Staff, the Superintendent-Secretary, the Office and Clerical Staff, the Massage and Electro-Therapeutic Staff, the X-Ray Staff, the Resident Medical Staff, the Domestic and Porter Staff, and all others, we extend our grateful thanks for their untiring efforts under very difficult conditions.

In conclusion, the past year's work has been one of sustained difficulty and strain on all departments. It is to be hoped that the coming year will bring some prospect that the time is not far removed when we may hope for an expansion, especially in our building programme, so as to overcome some of the difficulties imposed by lack of adequate space.

With this hope before us we must endeavour to cope with the tasks of the coming year.

H. N. DANIEL,

CHAIRMAN

REPORT ON THE NURSING STAFF, 1943.

The year of 1943 has seen many changes in the Nursing Staff personnel, but on the whole may be considered a year of progress.

Sister Read has taken up the new appointment as House-keeping Sister ; and Sister Patrick has been appointed as Sister at Longlands. Sister Leeming has joined the Staff ; and Staff Nurse Dickinson promoted to Sister. Sister Jolleys and Sister Mullan have resigned.

Twenty Probationers entered for training. It has been decided to accept suitable candidates from the age of 17 years for pre-nursing training, and it is hoped this may help to meet the necessary increase of staff, and also help to bridge the gap between leaving school and the commencement of training.

Seventeen Nurses were granted the Infirmary Certificate upon completion of training. Twenty Nurses entered for and were successful in gaining the Final Certificate (General) of the the General Nursing Council. Eleven Probationers passed the Preliminary State Examination. In respect of these results we all greatly appreciate the help of the Hon. Medical Staff, both in the Lecture Room and with the practical training.

The Nurses' Representative Council met quarterly, under the helpful chairmanship of Ald. Mrs. Helme, and afforded every opportunity for discussion of questions affecting the well-being and efficiency of the Nursing Staff.

The opening of Springfield Hall as an additional Nurses' Home has proved very successful, and we should like to thank the General Committee of the Infirmary, both for this and for the adoption of the recommendations of the Rushcliffe Committee.

MATRON.

HOSPITAL SUNDAY COLLECTIONS, 1943.

At the Meeting of the Clergy, Ministers, and Church Officials, held in the Town Hall, Lancaster, in 1932, it was unanimously resolved "That, as far as possible, the SUNDAY FOLLOWING OCTOBER 18TH (ST. LUKE'S DAY), or on OCTOBER 18th, if that day be a Sunday, be permanently observed as Hospital Sunday."

The number of Collections received during the year was 94. The number of Places of Worship in the neighbourhood is about 170, so that there were about 74 Places of Worship where no Collection was made.

The following is a List of the Places of Worship, showing the amounts received during the years 1943 and 1942:—

The Workpeople's Committee.

The Committee has much pleasure in presenting the 55th Annual Report (the 23rd dealing with the Scheme).

The Committee are pleased to state that we have had another good year, the total income being nearly **£18,000**.

Every effort has been made to achieve this amount during the term of office of Mr. L. Kilgour, who was President of the Infirmary.

We regret that we have suffered the loss of Mr. T. Smith, a member of the Workpeople's Committee, whose valuable services will be greatly missed.

Our membership has increased during the year.

The cost per patient is over 12s. 6d. per day.

We again draw the attention to the eligibility of Benefit which is Three Months for Medical and Surgical Wards; and the Maternity Ward, Twelve Months.

The Maternity Ward Benefit is for abnormal and Surgical Cases only, or where the home conditions are unsuitable.

Contributors' attention is particularly drawn to the fact that the **Workpeople's Contributory Scheme** is for treatment in the **Wards of the Royal Lancaster Infirmary**. **Patients must obtain a voucher from the Secretary or Treasurer of the Workpeople's Contributory Scheme before being sent to any other hospital.**

Patients who are in a position to join the Contributory Scheme, and have not done so, will be called on and expected to make payment towards cost of maintenance whilst patients in the Infirmary.

The Committee does not assist Contributors in meeting the cost of Treatment in Private Hospitals, Maternity Homes, Nursing Homes, Sanatoriums, Mental Institutions, or Infectious Diseases Hospitals.

The Committee tender their grateful thanks to all those Employers and Collectors for their continued help, also to the Local Press for the valuable publicity they have given to matters affecting the Scheme ; and to all other Subscribers, Donors, Helpers, and Silver Paper Collectors.

The gross income is made up as follows :—Balance brought forward from last year £3,858 12s. 2d. ; Workpeople's Contributions, £10,635 12s. 0d. ; Card Payments, £3,362 17s. 3d. ; Collectors, £2,950 13s. 6½. ; Hotel Boxes, £53 18s. 11½d. ; Voluntary Boxes, £2 7s. 8½d. ; Co-operative Quarterly Subscriptions, £75 14s. 2d. ; Co-operative Social Committee, £9 14s. 10d. ; Exors. of W. Mitchell (Hot Water), £6 9s. 11d. ; Waring and Gillow (1932) Ltd. (Accident Fund), £12 10s. 0d. ; Cot Fund, £3 0s. 3d. ; National Council of Social Workers (Standfast), £50 ; Cartmel Teachers and Scholars Effort, £21 10s. 6d. ; Ribble Motor Services Ltd. (Employees), £16 5s. 5d. ; Moor Lane Mills Concert Party £5 ; Miscellaneous Donations, £52 17s. 1d. ; Bank Interest, £92 14s. 3d. ; Interest 3% Defence Bonds, £8 19s. 7d.

The Committee, according to Rule, nominated Messrs. J. Howie, C. E. Whiteside, L. Kilgour, W. H. Keeffe, W. E. Shepherd, and H. Cooper, for election on the General Committee.

The members who retire (but are eligible for re-election) are Messrs. S. Gowers, W. Johnson, M. Simpson, J. V. Whiteside, H. Parker, W. E. Shepherd, L. Kilgour, R. Taylor and H. Cooper.

Signed on behalf of the Committee.

L. KILGOUR, CHAIRMAN.

J. HOWIE, HON. TREASURER.

C. E. WHITESIDE, HON. SECRETARY.
